

CJN 255: Extra-Credit Assignment Twelve: Course Evaluation

Due: April 26th. This is extra credit work and therefore late work **will not** be accepted. Any points you receive will be added to your Unit Three exam score (not to exceed 100%).

Instructions: DO **NOT** PUT YOUR NAME ON YOUR ESSAYS. Please evaluate your experience in this course answering the following questions:

What did you enjoy most and least about this course and/or the teacher?

What are the strongest features of this course and of my teaching? In other words, what contributed most to your learning?

Did you find the textbook enhanced your learning? Were the study guides helpful?

Were the exams too hard, too easy, and/or not relevant to course material?

Did you take advantage of extra-credit opportunities? If so, did you find these assignments interesting, challenging, boring, or too much to ask for extra-credit?

Was the pace of the course too fast, just right or too slow?

What specific suggestions do you have for changes that I can make to improve the course or how it is taught?

Thank you!

I genuinely appreciate your comments and take course evaluations very seriously.
